Winery tour packages

For over seven years we have been providing informative and entertaining wine tours of the Southern Highlands.

Today our wineries offer world class award winning wines and this, together with the warm welcome of the vignerons and the district knowledge of our drivers, ensures a memorable experience.

The following itinerary is our recommendation; however, it may be varied to suit individual groups. Travel is by luxury Midi Coach (24 seats) or Mercedes-Benz Mini (9 seats). Larger coaches are also available. You arrange the group, from 8 to 20 people, or more.

Enjoy wine tasting with tour, talk, nibbles and a gourmet 2 course lunch. Also marvel at the fabulous scenery within the Southern Highlands.

-

An alternative tour is also available which visits 4 wineries and includes a ploughmans lunch.

Prices from \$70 incl. gst per person.

For weekends & public holidays, add 15%.

A variation to the above itinerary is to substitute one winery by first visiting the magnificent Bradman Museum at Bradman Oval in Bowral. This is of a world class standard. Also ask about our Tours for 1 to 4 people in a chauffeur driven hire car.
